### DARUL UMMAH GORESBROOK SMASH THE LITTLE LITTER LEAGUE RECORD (AGAIN)!

Whilst the mums had their weekly event indoors the kids were put in charge of their menfolk.

The genius plan worked phenomenally as a small team of volunteers from @darulummahgoresbrook led by Space Teddy Author Mustafa Abidin rounded up 58 bags to smash the Little Litter League record.

This is what you would describe as real and sustainable impact - A small group of volunteers determined to roll up their sleeves up to help make the neighbourhood a cleaner, greener, safer place to live in for everybody.

Our world is slowly dying and you really don't have to be a genius to realise the planet is affected by our lack of waste management. Thank you for your selflessness guys - Your inspiration and impact is universal.

## COMMUNITY ROAD WATCH

We teamed up with our local Safer Neighbourhood Team and keep our roads safe. We volunteered under the supervision of the police using a speed gun to measure cars which are exceeding the speed limit. The idea is if we catch anyone going over the speed limit they are sent a letter at home to remind them of keeping within the speed limits.

This was rather an enjoyable experience keeping our roads safe and working in partnership with the our local police team.

We will be organising another community road watch soon, if you want to volunteer please do get in touch.
