unseen state of impurity

the seen state of impurity

eg: You are just about to pray and you smell a nasty stench. You DO NOT pray there not knowing what happens! eg: cat urine

eg: You are just about to pray but you see a litter on the ground. You can no longer pray there so long as it is impure.

if you keep clean

half your faith will be fulfilled because without purity you cannot pray salah, touch or read the quran, and without these 2 things you are not a true muslim which causes you to go to hell and more you cant do without pure!
