Our aim is to promote neighbourhood pride and to
Keep Britain Tidy.

The average UK household uses around 500 glass
bottles and jars every year. Glass takes over 4000 years
to decompose, and it is completely recyclable.

Litter or trash is a global problem. In New York City
residents throw out enough garbage each day to fill
the entire Empire State Building.

19 bags working with Darul Ummah Goresbrook.

Small and sincere efforts guarantee a positive ripple
effect.
